5. SHARING OF DATA WITH THIRD PARTIES

5.1 Within the Kuwait Petroleum Group

We may share your data for the above purposes with other entities within the Kuwait Petroleum Group, which will then act as data processor. They may only process the data on our instructions.

5.2 With external service providers

We also share personal data with other third parties in the context of the Q8 Applications, such as suppliers of charging cards, companies offering supporting electric mobility services (e.g. our EV backend provider), advertising agencies, companies offering mailing services, IT service providers, professional advisers, and customer service providers, which will then act as data processor. They may only process the data on our instructions.

When making payments via the Q8 App, certain personal data may also be shared with payment service providers and the banking institution selected by you to carry out your payment.

5.3 Other recipients

Finally, we may provide personal data to the competent public authorities and the police when this is necessary to ensure, among other things, the protection and safety of you or of third parties, or when we are obliged to do so in accordance with a legal provision or administrative or judicial decision.

5.4 Transfers to countries outside the EU/ EEA

Some third parties are located in countries outside the European Union (EU) or the European Economic Area (EEA). If these countries have a lower level of protection than the EU/EEA, we will take the necessary measures to protect the personal data appropriately.

With regard to transfers to countries outside the EEA that are not subject to an adequacy decision by the European Commission, we may base the transfer on appropriate safeguards, such as the EU standard contractual clauses adopted by the European Commission or other approved transfer or certification mechanisms together with binding and enforceable obligations on the part of the recipient. In this case, we will assess the transfer and ensure that any additional technical and organisational measures are taken to ensure that an appropriate level of protection is provided.

Q8 Applications Privacy Statement

In any case, personal data will only be transferred outside the EU/EEA if this is strictly necessary for the purposes mentioned above.

Data subjects may request a copy of the appropriate safeguards and measures by contacting us using the contact details in section 9 below.

6. YOUR RIGHTS AS A DATA SUBJECT

As a data subject you have the following rights:

- **Right of access:** You have the right to access the personal data that we process about you, as well as the right to obtain a copy of these personal data (subject to certain exceptions).
- **Right to data portability:** Under certain conditions, you have the right to portability of the personal data provided by you to us.
- **Right to rectification and erasure:** You have the option to have us rectify or erase your data free of charge at any time, provided that the legal conditions are met. Data excluded from erasure include any data that we still need for the performance of current orders and data that we are legally obliged to keep.
- **Right to restriction of processing:** You may require us to restrict the processing of your data, if the applicable legal provisions are met.
- **Right to object:** You may object to processing for marketing purposes or processing for which our legitimate interest is the legal basis. With regard to the processing of personal data for direct marketing purposes, you may even do so without stating any reason.
- **Right to withdraw your consent:** If we process your personal data on the basis of your consent, you have the right to withdraw that consent at any time. However, this withdrawal will not affect the lawfulness of the processing of your personal data for the period prior to the moment of this withdrawal, or processing activities for which there is another legal basis.
- **Right to file a complaint with the competent authority:** You have the right at all times to contact the data protection supervisory authority for your usual place of residence, your place of work or, if you believe that a breach of the GDPR has been committed, the place of the breach, and, where appropriate, to file a complaint.

To exercise the above rights, send an email to privacy@q8smiles.be or privacy@Q8smiles.lu. Such emails must be accompanied by your full contact details and a means of verifying your identity. However, we may reject requests that we consider manifestly unfounded or excessive.

When we obtain personal data directly from you, you are generally free to provide us with the personal data or not, unless there is a legal obligation. If you do not wish to provide your personal data, it is possible that you will not be able to use the products or services we provide, that your questions cannot be answered and/or that you will not be able to conclude an agreement with us (or one of us).

Q8 Applications Privacy Statement

7. STORAGE OF YOUR DATA

Your personal data will be kept for as long as necessary to achieve the purpose for which they were collected, taking into account the applicable statutory retention and/or limitation periods under Belgian law.

8. MODIFICATIONS

We reserve the right to modify the Privacy Statement at any time, for example in order to adapt it to changes in services or in legal and/or regulatory requirements. Changes to this Privacy Statement come into effect at the time of publication. We recommend that you always consult the most recent version. The date of this version can be found in section 1.
